

probability.h

```
graph TD; A[probability.h] --> B[stdio.h]; A --> C[stdlib.h]
```

A diagram illustrating the dependencies of the `probability.h` header file. At the top, a gray box labeled `probability.h` has two blue arrows pointing downwards to two white boxes below it. The left box is labeled `stdio.h` and the right box is labeled `stdlib.h`. This indicates that `probability.h` depends on both `stdio.h` and `stdlib.h`.
